Do your fans enjoy your mascara mudslide scenes?

People really like seeing my makeup destroyed. Almost everyone would agree that it's hot when a girl's makeup gets ruined because she's losing her mind in a hardcore sex scene. My sex scenes are rough and raw. I wouldn't have it any other way.

Are you more of a natural girl in your personal life?

Yes, I could consider myself more of a natural girl. This is kinda strange because when I was younger I used to love playing with makeup. Since makeup and my work are intertwined, I never wear makeup off set. I'll put on a little bit to spruce things up for the camera or for a work event, but that's about it.

You have an amazing asshole. Let's talk about it.

My asshole brings me so much pleasure. I enjoy when people play with my ass, lick my ass, fuck my ass. It's all great. My best orgasms come from anal sex. I also love shoving large toys up my ass. She can take a lot!

What type of outfit makes you feel sexy off set?

I love wearing boots with tight jeans or with leggings. In the summer, I'll even wear my boots with cut off shorts. That's always a cute look.

Are gangbang scenes amongst your favorites?

Gangbang scenes are something that I enjoy, but wouldn't want to do them all the time, of course. My preferred scenario would be a lesbian, group, anal scene. The more people the better. I also really love performing in girl/girl (one on one) anal scenes because of all the toys we get to use on each other. I love working out girls' holes.

Are you more into Gonzo style scenes or features?

I really do prefer Gonzo scenes. I look doing fetish things and other things too but Gonzo is cool. Gonzo is all about the sex and isn't so formulated. It's also more expressive and creative. I love creative sex. I always want to go further and push myself.

What is your least favorite type of scenes to shoot?

Although I appreciate all the work I get, my least favorite scenes are when I have to do basic boy/girl scenes. I'm not trying to hate on these scenes, but I shine better elsewhere. Those types of scenes are like four positions and a pop. It's too formulaic for me. They lack imagination. In contrast, I love kinky, BDSM style sex. That type of hardcore is awesome.

You are simply a natural born performer.

Yes, I am. I want to put on a performance and showcase my skills. I want to challenge the other people I'm working with and see where it goes. I don't like sexual limits. I want to break through them.

Are you wilder on or off screen?

I've definitely done some wild things off camera, but am wilder on camera. Again, I love to perform. I get to shut off my worries and just be in the moment. When I'm on set, I really go for it. In the real world, feelings get involved and things can get awkward. In porn, you have wild, outrageous, passionate sex and then go home, free and clear.

Does the controlled/secure environment of a porn set help shed your inhibitions?

Being on set makes me feel secure and safe. Whatever I want to do is going to be in a safe environment with people that care about me. For example, I would never do a gangbang off camera (at least I think I wouldn't). There are way too many variables that can go wrong. But, on a set, I mean, anything is possible. We are being monitored and there is a room full of people that are there to make sure things go as planned.

Is Sarah Shevon an alter ego or are you one in the same?

We are the same. I put a lot of myself into my scenes. You are witnessing Sarah Shevon. I'm always still me. I'm not another persona when I perform. In porn, I've just been given a platform to reveal an alternate side of myself. Is a very sexual side and a very good side.

How did you come up with the name Sarah Shevon?

Sarah Shevon is my real name. In that case, it wouldn't make sense for me to associate my name with another person. Sarah is my first name and Shevon is my middle name. Actually, I enjoy going by the name Shevon since Sarah is so common. Whenever I'm out, I always hear people calling

out, "Sarah, Sarah." I look around and the calls are never for me. Sarah is just one of those names. Actually, I really like being called Shevon for that reason. When people call out, "Shevon," I know it's me!

Do you ever bring your work home wit you?

No, I like to keep things separate. Work is work and home is home. I hang out with people off set, but try to keep my professional life professional. I've heard of lots of people dating off set and it seldom goes well. There are exceptions, of course. I really don't want all the hassle. I want to go to work, perform and then go home.

Who has the perfect cock?

I really like Xander Corvus and Mike Adriano. Their cocks get really hard and are just so good to work with. The industry is full of good cocks. I enjoy the girth of cocks, as well as the length. I like cocks to be two-inches in diameter, and about eight inches long.

Eight inches is a great sized cock.

Longer cocks can be good sometimes, but other times they can just poke you in the wrong way. They stab my tailbone and go way past my G-Spot. Most guys just want to bury their whole cock inside of you. The G-Spot is only a few inches inside, guys. And, I'm trying to be fucked, not erased.

So, you're a size queen?

Yes. I can have fun with regular sized cocks too, but big cocks are my favorite. ***Aside from Joey Silvera, a director you've shot with often, what other directors do you enjoy working for?***

I enjoy Aiden Riley, Jay Sinn, Mike Adriano and pretty much all the Evil Angel directors. I shoot for Evil Angel often. I fit in there very well. Evil Angel captures the type of sex I'm into. We speak the same language.

Have you had any porn surprises?

I recently shot a boy/girl scene for Kelly and Ryan Madison that was really cool. It was my first time shooting for them and it happened to be a Gonzo-type scene. To my surprise and pleasure, it got pretty wild. I was like, "Wow that was not a normal boy/girl scene." It was a pleasant surprise. Ryan Madison is an underrated performer. We had such a wild time together. He's great. I'd love to work with him again. Really, I never saw that coming.

What is something that people might now know about you?

Besides having TMJ, I'm also lactose intolerant. I stay away from creamy or buttery foods.

Are you promiscuous off camera?

Not, not really. I have so much sex on camera that I don't really feel the need to look for sex elsewhere. I'm very sexually satiated. I get to live out my fantasies all the time. I can't complain. Life is good. Porn is good. Sarah Shevon is good. 🍆

YOUNG PANTY HO'S 3

We can all agree that watching *Young Ho's* prance around in skintight nylons is sexy. Just the thought of the clinging material accentuating the curves of their calves and thighs, hugging their pretty feet is enough of an erotic visual to make your heart pound and your pants tighten. This scenario becomes exponentially more explosive if you happen to be on the receiving end of such a delectable display.

However, the fantasy of pantyhose-clad legs extends well beyond our immediate sense of sight. For instance, the sound of fingernails running up and down the length of pantyhose, or teeth tearing into the snap-tight material can be quite arousing. Furthermore, the aroma created when a woman is wearing tight pantyhose is also quite erotic, locking in her natural perfume or the aromatics of her fruit-scented lotion. Whatever the case may be, we can all agree that young ladies wearing pantyhose is hot!

Uncovering this erotic fixation, director Mike Blue, along with a laundry list of sexy starlets, including Karlie Montana and Cali Carter, have come together in *Young Panty Ho's 3*, his latest wall-to-wall offering for Third Degree Films. Together, they plan to expose the raw magnetism behind this kinky fetish by offering us a court-side seat into their wonderful world of young pussy, gorgeous girls and plenty of pantyhose. With that said, it's time to claim our spot inside. The first pair of pantyhose is about to be ripped to shreds!

Sauntering in wearing electric blue pantyhose is Cali Carter, a girl-next-door

blonde with a compact, gymnast body and a set of blonde pigtails that make her look dangerously yummy. Teasing the camera with her sky blue eyes and thick hips, this young stunner certainly knows what it takes to turn her audience on like a light switch.

"Do you like me?" she smirks, resting on a white sofa while running her fingernails up and down the length of her blue pantyhose, creating an erotic scratching sound. After offering us a faint visual of her compact pussy, as shown through the stretched material, Cali uses her fingernails to rip the crotch out of her pantyhose. Immediately springing to life, her pink pussy fillets out and takes in the fresh air. And, yes, gasps could be heard in all directions!

After Cali pleases her pussy with a little bang, Mick Blue walks into the scene with his hard cock in his hand. Clearly, he's ready for some teen pussy action. Opening her mouth on cue, Cali morphs into a literal cock depository, accepting Mick's meat from tip to base. Now plugging her mouth and smacking his cock across her cheeks, Mick has fun with the dirty blonde, continually making her eyes water and her mouth drip with his expert cocksmanhood.

Taking a seat on his lap, Cali nestles her wet pussy around his cock like a warm blanket and slowly begins bucking her hips. With her ripped pantyhose still on, bordering her delicate fuck holes like a blue frame, we get a full view of her stretched out pussy in full hardcore action. Taking the reigns from underneath, Mick begins spearing her with gusto, causing her to cream and scream her girlish delights.

Later folding her half, Mick continues giving Ms. Carter the ride of her life in doggie position. Using her shredded pantyhose like reins on a horse, Mick rides and domesticates this young filly, later dousing his cowboy curd across her bubble butt and lower back. Indeed, it's a spirited way to begin!

Next, looking as darling and innocent as a lost puppy is Carmen Callaway, a nubile blonde with a pin-

thin frame and a cheerleader bow in her hair. Dressed up in a pair of purple pantyhose and a hot pink panty set, this young starlet looks as if she's playing dress-up in her mother's clothing.

What isn't so innocent, however, is the way she is feeling up her body in front of a standing mirror. With her hands dipping in and out of her panties and her sharp nipples jutting through her lace bra, we can tell that this young bird is no stranger to getting laid. In fact, from the way she's moving, we'd venture to say she's had an active sex life for quite some time now.

Once Carmen finishes primping and prancing in front of the mirror, she's interrupted by John Strong's thick cock. Spreading her purple legs open across a blue bed, John stakes a claim between her legs, devouring the teen dream's tight interior with his fat tongue. Loudly lapping up her pink lollipop, John has Carmen bouncing around the bed like a popped balloon. With her eyes literally rolling to the back of her head, Carmen looks possessed, but awfully darn cute at the same time. "Yes, please," she continues howling; now scratching up

the bed sheets with her blue fingernails.

When it's time to reciprocate, Carmen begins sucking the tip of his cock, doing the best job she can. Although her heart is in it, it becomes painfully obvious that Carmen needs to practice on a few more joysticks in order to sharpen up her oral acumen. But, nonetheless, Carmen gives John her best moves, delivering an amateurish blowjob that clearly coincides with her young age.

Redeeming herself with a spirited ride in reverse cowgirl, Carmen is back in the saddle again. With her tiny feet parked on top of John's meaty thighs, Carmen springs up and down his cock like a super ball. Commencing with the eye rolling, Carmen's chest reddens and her clit plumps, signaling the onslaught of her second orgasm of the day. Once John takes control of the rhythm, Carmen starts squealing like a piglet, as her meaty pussy begins glossing over with coochie cream. Hot!

Meanwhile, in another room of the house, Karlie Montana, one of the prettiest redheads in porn, is busy enticing the camera with her blue panty set and fishnet pantyhose that are decorated with black piping up the back. Angelically beautiful, Karlie doesn't really have to do too much in order to exude an air of charm and sex appeal. In fact, it naturally seems to be oozing out of this beautiful starlet in spades.

The moment she begins tangling her fingernails into the stockings, creating an enticing melody that has everyone popping with excitement, it's clear that Karlie has just taken this production to the next level. Undoubtedly, the star attraction, amidst a fleet of opening acts, the stage is readily set for Karlie to begin her performance.

She begins by smashing the fishnet material against her pussy until her pussy seeps through the squared fabric, leaving an impression on her skin. It's a hot display that leaves everyone excited about what she'll do next. As we all wait with baited breath, Karlie rips the crotch out of her pantyhose and begins playing with her dark labia lips, licking the gloss from underneath her manicured fingernails.

Spearing into action, Mick Blue immediately plugs up pretty Karlie's lips with his cock. Happy to oblige, Karlie begins motor mouthing his meat stick like a trained professional, popping his balls in and out of her cheeks like a rabid squirrel. Undoubtedly doing a better job than the *Young Ho's* that came before, Karlie demonstrates the correct way to suck and fondle a man's cock and balls. It's delightful!

Taking the lead in cowgirl position, we can all tell that Karlie hasn't had sex in a while and is set on making up for lost time. Mick, the lucky recipient of her mission, simply goes along for the ride. Grinding and swirling her hips, Karlie quickly finds her groove and starts laying into Mick like a cat in heat. When she's close to spewing like a geyser, she reaches her hand around her butt and pops one of her fingers into her asshole. Now double stuffed, Karlie ups the ante even further by fucking Mick harder and faster. In a matter of intense moments, Karlie explodes like a Roman candle, igniting her love liquid across Mick's lap.

Once the smoke from Karlie's scene clears, we find ourselves outside, watching Sara Luvv, a cute Latina, drenching her pantyhose-clad pussy in the pool. With hot, underwater camera action, it's sinful watching the way Sara's crotch looks underwater. As soon as she tears a hole out of her pantyhose, her meaty clit comes bursting out like octopus tentacles. For those of you out there that love extra thick pussies, Sara Luvv is definitely the girl for you. Still wet, Sara makes her way inside, where she is introduced to Mick Blue. Rather, he mouth is introduced to Mick's cock!

Fucking this hottie in every conceivable position, Mick has a ball

rotating this spinner around his dick like a top. Up of the challenge, Sara gives Mick all she's got, resulting in cool Mick breaking a sweat. Impressed by her sexual skill, Mick goes harder on Sara, really dipping into her in spoon position. After tangling with this feisty Latina for nearly an hour, Mick sets her up and uses her cocoa-brown eyes for target practice. Bam, a direct hit!

Just like poetry in motion, our time on set ends here, despite the fact that the image of young girls in sexy pantyhose still lingers on. Until we get our hands on the finished product, we definitely have enough reserves in our pantyhose fetish file to keep us happy for a long time running. After experiencing the movie in its entirety, we're quite confident you'll agree.!

Bad Influences

Amirah Adara **&** Wild **Angelina**

Normally, you would think some older, sluttier MILF would get to either one of these 20-something babes and corrupt the sexual shit out of them. But, these two filthy cunt eaters are doing fine on their own, thank you very much. They didn't need to be lead by some old bag into eating some pussy. They figured that out on their own. Bad influences? Not from what we're watching! 🍆

A photograph of a man and a woman in a sexual embrace. The woman, with long brown hair, is smiling and looking at the camera. The man is behind her, looking down. They are on a white surface.

I've had just about enough
with men just jizzing all over
my tits. I want a hot load
inside my pussy and I want it
as deep as you can go. Stuff
your cock into the hilt; balls
deep. Then, spew it deep
inside me. Splatter my
pussy with every drop
of spuzz you have!
See this guy here?
He's gonna pull out
and spew on my
tits. Loser. I want
you to cum inside
me. Please! 🍆

Asa Akira

Pro Pussy Poker

You may have seen Asa Akira plowed thousands of times by now, but it never gets old, does it? The simple fact is, watching Asa's professional pussy in action is a pure pleasure that can only be topped by the next time you see her cum hungry cooze at work. Take a look at that tight fucking slit. It begs to be fucked. And, yeah, the second you get in there, you're gonna want to blow it all over. Well done, Asa! 🍆
